

Dangerous Goods Forms

The PBT Group recommend clients use **Inkspot's Dangerous Goods (DG) Form**.

The Inkspot form is comprehensive and includes the majority of dangerous goods requirements.

PBLink combo's default print setting is set up for the Inkspot DG form.

If you wish to use another DG form please inform your account manager so we can organise our IT team to set up a specific print program for your DG requirements.

Hazardous Substances/ Dangerous Goods Declaration and packing declaration					
Proper shipping name (a) (b) (c)			Class (a) (b) (c)		UN number (a) (b) (c)
